BSKF Summer Training Course 2003

To all Branch Masters, Club Captains and Branch Administrators

Date: 29th to 31st August 2003 (inclusive)

Venue: The Teikyo School, Framewood Road, Wexham, Bucks, SL2 4QS.

Cost: £120.

We believe once again that this year the venue is excellent. The Teikyo School is a Japanese Boarding school for high school/ Sixth Form College aged students. It boasts a very high standard of facilities, which include a modern large sports/training hall. It is situated three miles (approx) from Slough town centre, in a large wooded/ green-belt area, to the west of London just outside of the M25, and has easy access from M25, M40/A40 & M4/A4. Slough also has a B.R. train station. If you attended the summer camp for the last few years then you will realise that this is an excellent venue for the summer training seminar.

The weekend cost will include: Two full days training, Breakfast, Lunch & Dinner on Saturday, Breakfast & Lunch on Sunday, Party Saturday evening, and seminar t-shirt. All rooms have 'en-suite' toilet/shower.

We have been offered the use of the training hall on Friday afternoon and a dinner on Friday evening for all those who arrive early enough, which we will provide at no extra cost to attending kenshi.

Due to increased costs over the last couple of years we find it necessary to increase the price slightly. This is unfortunate, but unavoidable, as we cannot afford to run the seminar at a loss for the BSKF, we hope that you will all appreciate this fact and give us your full support.

Once again this summer camp will be classified as a WSKO recognised event, thus being a very important seminar for all 1st kyu and dan-grade kenshi.

This year it is expected that our guest instructor will be **Fujimoto Sensei**, 8th Dan WSKO board member, WSKO instructor. As always we are very lucky to have the instruction of our own chief instructor Mizuno Sensei and our Technical committee.

There will be a limited number of places available so please return application forms as soon as possible. Places will be allocated on a STRICT FIRST COME FIRST SERVED BASIS.
